Susan Parrett Biography

Susan Parrett is an antiques dealer and collector. She and husband Rod Lich have been specializing in fine and folk art, quilts, and regional antiques since 1976, and they have exhibited in shows across the eastern U.S. They have also enjoyed sharing their private collections at various museums in the Midwest, as well as speaking at educational programs for antiques shows and other public events. Parrett's childhood experiences with sewing and hand-work helped define her interests in design and history, and focused her appreciation as a collector on the unique, one-of-a-kind vision that comes from the anonymous artist.
